

## **Bishop Sutton Community Church Letter**

For the last couple of months I've been reading the book of Proverbs in the Bible, there are 31 Chapters and so far, I've only got through the first 3... Am I a slow reader or is there a great deal to take in?

Proverbs is all about gaining wisdom and understanding to guide us through all the challenges of life. Wisdom is not so much about knowledge but discernment between good and evil, right and wrong and is attained by faith in God who is our moral compass: "The fear of God is the beginning of wisdom" (Proverbs 9:10) and results in lasting success - life in all its fulness that Jesus promised as opposed to the thief who comes to steal and destroy (John 10:10).

Wisdom in Proverbs is described with the adjective "She": the feminine aspect of God. Science tells us the universe started with a big bang but who made the big bang? Proverbs 3:19 tells us: "The Lord by wisdom founded the earth; by understanding He established the heavens"; wisdom is the God given system of rules governing the physical and moral fibre of the universe so by growing in wisdom our lives come in tune with who we were made to be and what we were designed to do.

"Happy is the one who finds wisdom, and the one who gains understanding; for her proceeds are better than the profits of silver, and her gain than fine gold. She is more precious than rubies, and all the things you may desire cannot compare with her. Length of days is in her right hand, in her left hand riches and honour. Her ways are ways of pleasantness, and all her paths are peace. She is a tree of life to those who take hold of her, and happy are all who retain her" (Proverbs 3:13-18).
